About college training

Training Solutions are committed to the training and further education within colleges. We offer a number of short courses within colleges specifically tailored to enable the student to expand their knowledge and learn new techniques alongside superior products.

All our educators are fully qualified lecturers with extensive industry experience offering you the very best training available and the technical team at Training Solutions also offer continuing support by answering any queries you may have.

Important information

- We require a minimum of 12 students and a maximum of 18 (see individual course for maximum students).
- All lecturers are taught free of charge with minimum of 12 students attended and not exceeding the maximum (does not include kit).
- All products are supplied for the duration of the course.
- Students will receive their online learning portal 7 days prior to the course which will house their digital manual, video tutorials and certificate.
- The learning portal can be accessed for one year.
- We can provide promotional branded posters which can be put on noticeboards or emailed out.

Payment information

Payment for courses can be made by the following methods:

- Cash on the day of the course - the lecturer must collect all cash at least 7 days prior to the course and can give this to the Training Solutions Educator on the day of the course.
- Students can book onto their course and pay via our website with a special college link that can be messaged or emailed to the students. This payment can be made by PAYPAL or any credit/debit card.
- With a purchase order, we can invoice the college after the training.
